NRBS Outcomes

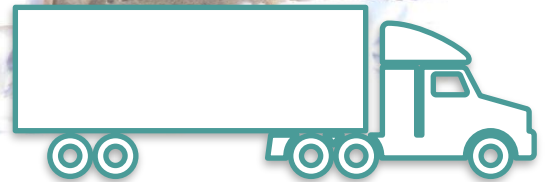

Regardless of what the stats say, or what you've heard. The following slides are examples of what we continue to see.

18/09/2014 13:28

So what are NHVR SCO's doing differently?

- We will be training the right people to do the right job.
- On road compliance & education activities will support industry in establishing sound CoR practices.
- HVIM understanding, as it relates to workshop compared to on road detection means.
- Self clearing defects.
- Negotiations for SCO's being enabled to remove defects, pending abilities and location.
