Charter of member objectives and responsibilities.

ARTSA-I Aims

The ARTSA Institute supports industry & its members through providing:

- information & training about technical matters
- investigations to improve heavy vehicle safety & productivity
- Seminars, conferences and social events to inform members about technical topics.
- Provide regulators with reliable information about technical matters.

As an ARTSA-I member, there are objectives and responsibilities of membership.

ARTSA-I membership objectives, from the Rules of the Association;

ARTSA Institute (ARTSA-i) is the peak body for Heavy Vehicle Transport research in Australia. It represents long standing industry participants who want to put back their knowledge and expertise into influencing the realms of future policy settings.

The objects of the Association are:

1. Independently explore ways in which evolutions in Heavy Vehicle Transport can be promoted, better understood and communicated. ~ Providing insights on behalf of the heavy vehicle industry that will promote sensible policy change
2. Promoting positive societal outcomes for the Road Transport industry. Provide Policy makers with insights and narrative to promote safety, sustainability and fleet modernization.
3. Using an independent data driven approach to research significant topics.
4. Inform industry and stakeholders about safety, productivity and environmental initiatives via reports and newsletters newsletters
5. Sharing the knowledge and skills of our members by engaging with project sponsors.
6. Identify projects and seek access to research and development funding.
7. Hold public functions and communication release events to explain the results of investigations

ARTSA-i membership responsibilities;

As an ARTSA Member, you would be expected to actively participate in the following:

1. Attend our meetings in person or virtually,
2. Attend our seminars and/or conferences and help with the delivery of the event,
3. Provide input into the design of our events and other activities,
4. Advocate, endorse and promote the activities of ARTSA,
5. Help recruit new ARTSA members,
6. Support ARTSA projects and activities,
7. Bring fresh, creative ideas to the table and provide input on all issues raised,
8. Work towards further developing ARTSA and its mission to improve the freight transport industry
9. Actively participate through networking.
