Road Transport – *Embracing change and innovation*

The **ARTSA Institute** in conjunction with the **National Heavy Vehicle Regulator**, insurance companies, leading suppliers and manufacturers brings you the **Road Transport - Embracing Change & Innovation Conference** on 14th November at Life Saving Victoria in Port Melbourne.

Hear from industry experts and the regulators about:

- technology and supply chain solutions
- how to stay safe and productive
- safety critical parts, zero emissions & National Law Reform

At the conference close, stay and network with colleagues over free drinks and canapes.

The Life Saving Victoria venue is ideal for this event with sweeping views of Port Melbourne and plenty of on-street parking.
